01

Decluttering

Decluttering is the first step toward an organized home. We help you free your spaces from items you no longer use, creating a lighter and more breathable environment.

WHAT IT COVERS

- Selection and categorization of items
- Emotional support during the separation process
- Responsible donation and disposal
- Visible results in just a few hours

02

Home Organizing

We organize every room in your home with practical and functional systems. From the kitchen to the closet, we create solutions that simplify daily life.

WHAT IT COVERS

- Closet and wardrobe organization
- Kitchen and pantry optimization
- Children's room organization
- Document filing systems

03

Personalized Consulting

Individual consulting sessions to guide you through the reorganization process. You'll learn techniques and strategies to maintain order independently.

WHAT IT COVERS

- Individual or group sessions
- Personalized action plan
- Advanced organizing techniques
- Ongoing email support

Maintenance

An ongoing service to maintain the order achieved. Periodic visits to check the organizational system and make any improvements.

WHAT IT COVERS

- Scheduled periodic visits
- Organizational system updates
- Seasonal change support
- Unlimited phone consultation

How we work

1

We listen

We learn your habits and look at the spaces to reorganise together.

2

We plan

We prepare a tailored plan, with timings and priorities agreed with you.

3

We organise

We work room by room, with solutions that are practical and good to look at.

4

We teach

We leave you a simple method for keeping order on your own.

Let's talk

The first 15-minute consultation is free. Write to us and we will tell you frankly where we would start.
